

Diane D. Vandiver

Diane made her first quilt in 1997. In 2012, and many quilts later, she created the online pattern company, Butterfly Threads Quilting. She has published dozens of patterns, designed three templates, been featured in Quilt Magazine, Primitive Quilts and Patchwork, the American Patchwork and Quilting Calendar and Quiltmania as well as Simply Moderne. Diane was also a regular content writer for Craftsy for 5 years. Her two books were published by C&T, Scrap Quilt Secrets in 2016 and Strip Quilt Secrets in 2018.

Diane loves designing, sewing and writing, but her favorite thing about quilting is teaching and sharing her love of quilting with the amazing quilters she gets to meet! Diane lives in Georgia with her husband Chris and their golden retriever.
